CALM MONEY KIDS

Name _____

My Dream jar *savings tracker*

Your Dream jar is for one thing you really want. Draw it, give it a price and a date, and color the jar as your money grows.

Draw your dream here

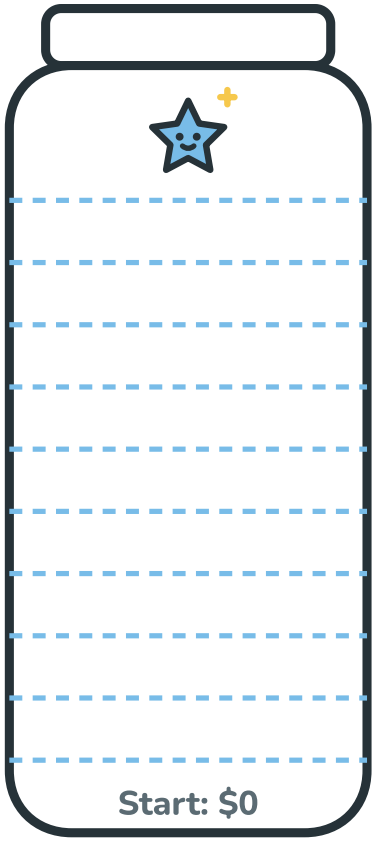

I'm saving for _____

It costs $ _____

Each week my Dream jar gets $ _____

So it will take about _____ weeks

I hope to have it by _____

Each line is one tenth of your goal. Divide the price by 10 and write that amount next to each line, then color up to it as you save.

For grown-ups: In Calm Money Kids, the Dream jar gets 25% of each allowance. Little kids save for a few weeks and teens can save for up to a year. If your child wants to take money out early, talk it over together first, because that talk is the lesson.
